Subject: EPA Region IX Pre-SFIREG Report

Hi Amy,

I have attached the report documents for the Pre-SFIREG meeting of EPA Region 9. I have also included a pdf of the minutes of the 2019 Apiary Inspectors of America meeting (last meeting was in 2008). This is something that might be directly related to re-booting the states' Pollinator Protection Plans (I know that Hawaii's has stalled).

Thank you and see you in December!

John
